## Highway 101 Frontage Mixed-Use C1 Zoning Property in Hopland, CA

Introducing a remarkable commercial opportunity in the heart of downtown Hopland! Located at 13325 Highway 101, this 7,000 square foot property presents a unique investment proposition for business owners and investors. The property features a versatile commercial building with three separate suites, each offering the potential for a variety of business uses. Strategically situated on a bustling thoroughfare, the location benefits from approximately 16-18,000 cars passing by each month, ensuring exceptional visibility and accessibility. This prime location can elevate your business presence and attract a steady stream of potential customers. In addition to the main building, the sale includes an adjacent commercial-zoned lot, providing further opportunities for expansion or additional development. Whether you envision retail, office space, or a mixed-use concept, this property is poised to accommodate your business goals. This is an extraordinary opportunity to secure a prominent location in an up and coming area.

# Hopland Overview

Hopland, a small unincorporated community in southeastern Mendocino County, California, population of 966 in 2023. It links world-renowned winecountry with the esteemed Mendocino Emerald Triangle.

## Demographics:

- Race & Ethnicity: The community is predominantly White (Non-Hispanic) at 55.5%, followed by Hispanic individuals at 39.1%. Other racial groups include those identifying with two or more races (2.7%) and Native Hawaiian & Other Pacific Islander (2.38%)
- Age: The median age in Hopland is 35.9 years, slightly younger than the California state median of 37.6 years .
- Income: The median household income stands at \$80,298, marking a significant 34.3% increase from the previous year .
- Citizenship: A high percentage of residents, 96.9%, are U.S. citizens.
- Language: While English is the primary language spoken at home, about 32% of the population speaks Spanish, reflecting the community's Hispanic heritage.
- Households: There are approximately 338 households in Hopland, with an average household size of 2.9 persons .
- Commute: The average commute time for residents is 37.1 minutes, indicating that many may work outside the immediate area .

These demographics highlight Hopland as a diverse and economically growing community with a youthful median age and a strong representation of Hispanic culture.

# Looking Ahead

## Commercial & Retail Development

- Hopland's central corridor is ideal for boutique retail, cafés, restaurants, and coworking spaces catering to tourists and locals.
- Highway 101 Exposure: With steady traffic volumes, both towns offer excellent locations for service-based businesses and destination retail.
- Cannabis Industry Expansion: Hopland and Ukiah are within the Emerald Triangle—well-positioned for cannabis retail, cultivation, and supporting businesses (e.g., packaging, labs, tourism experiences)

## Real Estate & Housing

- Affordable Residential Development: As Sonoma and Napa grow more expensive, Hopland and Ukiah are seeing increased interest from buyers and renters—especially remote workers.
- Mixed-Use Projects: Combining retail, office, and residential units in walkable areas can meet the need for live-work communities.
- Senior and Workforce Housing: Underserved in both towns and a major opportunity for thoughtful development.
